JAMES WEEMS AUTHOR

**April 1, 2024**

### **FREE! FREE! FREE!**

Did I get your attention? Okay, sorry I'm crashing into your mailbox a wee bit earlier than usual, but THIS is big! For the rest of this month, you can get a truckload of great gay books—including my **Benji's Bayou Birthday Bash**—for next to nothing. Okay, you need to sign up for the author's newsletter, like you did with me, but it's not like any of us are going to send you a bill for all the wonderful words we'll send you afterwards! (Which, let's face it, is probably a really good thing, given some of my ramblings, huh?)

Anyway, from now through April 30, click the banner below and it'll open a page you can browse through and find a ton of good books to add to your "TBR" list. (Okay, Angel, don't even act like you don't know that TBR means "To Be Read.")

At last count there were 55 other authors joining me, so.... Click the link and check them out!

I'll see you with your regularly scheduled news from me soon. As always, if you decide you don't really fit here, just click

“Unsubscribe” below, okay? (Though that means you’ll miss all the great news coming up!)
